

TERMS and CONDITIONS

The City of Tshwane hereby grants the user a non-exclusive, non-transferable license to use all information and solutions (e.g. e-GIS) contained in the “Maps and GIS” webpages (referred to as the Internet Web GIS in the “Terms and Conditions” agreement) on the City of Tshwane public website (www.tshwane.gov.za) subject to the Terms and Conditions as described below. Access and use of all information and solutions contained in the Web GIS webpages and web map services constitutes acceptance of these terms and conditions.

The City of Tshwane reserves the right to amend these Terms and Conditions at any time.

Use of the Web GIS

While every care and precautions has been taken during the capturing, maintenance and visualization of geospatial and non-spatial information by City of Tshwane GISc professionals, internal custodians (city departments), external custodians and appointed consultants, the Internet Web GIS is, and will always be, only a visual representation of the real world.

The information contained herein is part of the public record and subject to constant change. It is presented for reference purposes only; assumes no legal status; and is not intended to be a substitute for legally recorded data or documentation.

All intellectual property rights in respect of the Internet Web GIS, as well as all copyrights, reside with the City of Tshwane as owner of the Internet Web GIS. If the information is extracted and/or used in any form of visualisation or representation, then the user undertakes to clearly acknowledge and display propriety rights concerning the information by including the words, “Copyright and all rights reserved by the City of Tshwane”

The user may not:

- 1) Sub-license, rent, publish, loan, transfer, sell, lease, or redistribute access to or use of the Internet Web GIS, or any portion thereof, in any manner whatsoever;
- 2) Commercially exploit any document, report or map that can be downloaded from the Internet Web GIS

- 3) Exploit the Internet Web GIS in violation of these Terms and Conditions or in any unauthorized way whatsoever, including, but not limited to, using the Internet Web GIS to transmit any computer viruses or malware; or
- 4) Use the Internet Web GIS to infringe or violate the rights of any other party or person.

The City of Tshwane will not be responsible in any way for any such infringements of the Terms and Conditions by the user.

While every effort is made to keep the Internet Web GIS uninterrupted and the information accessible, the City of Tshwane provides no warranty that the information obtained by the user from the Internet Web GIS will be complete, accurate, current, error free, authenticated or suitable. The City of Tshwane also takes no responsibility and liability should access to the Internet Web GIS be interrupted.

The City of Tshwane, without notice or liability, reserves the right to remove, suspend, amend or disable access to the Web GIS, or any feature or part thereof. The City of Tshwane may also impose limitations on the use or any part of or access to the Internet Web GIS, or any information or part thereof, without notice or liability.

Limitation of Liability

The City of Tshwane disclaims all liability for any damages or losses arising from the use, misuse, interpretation, reliability, and suspension/termination of the Internet Web GIS (and all information presented herein) due to system failures, or scheduled and unscheduled maintenance. The City of Tshwane also expressly disclaims all warranties regarding errors, quality, content, accuracy, currency or completeness of the data.

By accepting these Terms and Conditions the user confirms to have read these Terms and Conditions and accepts all risks associated with the use of the Internet Web GIS.
